

# Oshawa and Durham Region Métis Council

invites you to participate in the very special occasion  
of the launching of

## *KOKOMIS tCHIMAN*

*(grandmother canoe)*

The building of kokomis tchiman has been a community project in the truest meaning of those words. She taught us to work together to overcome obstacles, helped us to learn and share together and most importantly, she gave us the freedom feel good about who we are.

The event is being held at:

**G L Roberts Collegiate & Vocational Institute**

399 Chaleur Avenue, Oshawa, ON L1J 1G5

**June 24, 2011, at 6:00 pm – ending about 9:00 pm**

A potluck dinner is an important part of the event  
so bring some food to share and chairs or a blanket to sit on!

There will be hotdogs on the barbeque and you may use the barbeque!

**The Voyageur Canoe Project Committee thanks:**

- Department of Canadian Heritage
- Marcel Labelle, canoe builder,
- Durham District School Board for their exceptional support
- Colin Carrie MP
- City of Oshawa
